## OBJECTIVES

*MIND INCLUSION 3.0 aims at promoting the social inclusion of people with intellectual disabilities in public spaces, increasing their digital skills as well as those of social workers and owners of public spaces through new ICT tools, specific training activities and dissemination of the Mind Inclusion APP.*

Promote social inclusion  
for PWID

Utilize digital tools for  
flexible learning

Enhance accessibility in  
public spaces for PWID

## HOW?

### MOOC

Massive Open Online Course  
for business users

within the OLC framework that targets Business Users, providing engaging training on enhancing accessibility of PWID in public spaces through criteria and guidelines.

### OLC

Online Learning Center  
for educators

as a dynamic digital environment, fostering peer learning, innovation, and the creation of an online community to support social inclusion.

### LLC

Local Learning Centers  
for disabled, caregivers,  
educators, business users

The 3 LLC strategically support the MI methodology and the Online Learning Centre to engage with communities to identify needs and promote training opportunities utilising digital tools.

### APP

Mind Inclusion 2.0  
online application
